Hi Everyone!!

A big thank you to each one of you for reading our letters, shopping with us, and participating in all our events! You are so important to us and we enjoy visiting with you. It is a time to be grateful and we are grateful for you!!

Let's see, the first event for us next year is a "Snow Ball Sale" on January 19th all day. We will have signs up around the shop for what's on sale but the table will be open. Barbara came up with this cute idea and we will use the sale to discount collection ends and yarns that may become discontinued. Of course, plan on having a glass of champagne, wine, a cup of coffee and I will make some brownies.

In February we will have a full-blown Sunday Sale on the 17th. Plan on 1PM to 4PM. The table will be covered with special sales for you.

March 1-9 is the Orange Blossom Yarn Crawl with specially dyed yarn for us and all kinds of fun. We always enjoy seeing ladies and gentlemen we don't usually get to see the rest of the season. More information to come. Our OBYC web site will have your passports and info on shop hours. All shops will have passports if you don't want to print your own.

CRUISE NEWS

CASAPINKA CASAPINKA CASAPINKA!!!! That's our star for the 2020 cruise. We are so thrilled she said yes!! She is on Ravelry if you want to review her talents. She is fun, funny, creative, talented; all the things you want in a teacher on board. Shannon from Cascade will be back and doing her famous yarn tastings and a new color class. As we get closer to the cruise, you will receive all the information on classes and events. Remember, one person in each cabin needs to participate in the convention events. We have such good cabin prices and only 150 cabins on reserve. Already 60 have been reserved. You can go on line at <http://www.gotravel.com/knit> or knit@gotravel.com for our info and prices. Also, there is a pre-registration page if you want to get a cabin. We will have first bookings for the best cabins in each category from Royal Caribbean on the Harmony. At this point, only pre-registrations are being taken as the ship's bookings are not available yet. The Harmony will arrive next year at Port Canaveral. Call the shop or the travel agency if you have any questions or special needs on board. 321-622-5955 Go Travel. 321-632-4579 Knit and Stitch boutique.

What's new? We called up Emma from Emma's Yarn and ordered 25 colors of sock and 12 colors of her DK. It is absolutely beautiful yarn and well-priced! She designed a special color for our shop and we love it!! Here is a young lady with oodles of talent...I won't even tell you how old she is, and we are very proud of our new Florida dyer!!

As always, we have tons of other yarns to show you. If we don't have it, just ask and we can probably order it for you. We have the biggest class schedules and the most wonderful and patient teachers here to help you learn or continue any project you have in mind. You are always welcome to sit and enjoy a beverage, have your yarn wound, get free help, and relax while you chat away with our wonderful guests.

Have a blessed holiday season. Even if you are fighting some sort of battle, we are here to listen, or just come in and sit and relax for a while. We are always glad to see each one of you!

Our very best wishes,

Ann, Annie, Barbara, Jan, Eddie, Paula, Jamie, Edwina, Christine, Lisa, Gloria, Jill, Kaori, Brenda and Lorretta.
