Hi Everyone!! SUNDAY SALE FEBRUARY 18. 1-4pm

Happy Valentine's Day!! You know at my age, a happy valentine is trying not to get the flu and seeing all our wonderful knit and stitch friends!! I saw a survey about what the most important thing is to living a longer life and at the very top, it was friendships. So thank you for your friendships!!!

Let's see, this month is the SUNDAY SALE on February 18th from 1-4PM. As is our tradition, we will have champagne, brownies and outrageous prices for those four hours only. For those of you who don't want to wait in line to check out, we have a "take a number" system and you can sit and relax with your favorite beverage and a treat while you wait. It's fun, because you get to visit with other knitters from all over the state. We love seeing all of you!

Gloria, who is doing our yarn buying, and doing a wonderful job, has ordered some really neat new yarns from smaller, independent dyers for you. I am assured it will all be here at the latest for the ORANGE BLOSSOM YARN CRAWL March 2-10. Emma at Four Purls is dyeing our crawl yarn and we are very excited about that. Anna at Knitty Gritty, Marney at Knits, Anne from The Black Sheep, and of course, Laura at Four Purls will all be a part of our event. We will all be open on that first Sunday and on Monday of the crawl week. You will be able to visit any of us any day of the week during those 9 days. Of course, passports and prizes. Check our OBYC website for all the info!

Remember to check our classes for the next few months. Wow, the instructors have put some wonderful classes together. We are still very affordable for a class. We are also in the process of bringing in some national instructors later this spring. More to come.

We look forward to seeing each one of you. When you stop in, don't forget to ask about the yarn colors that are dyed just for us and not available anywhere else. We have coffee, tea, water and wine to drink, unlimited chocolate on the table, free ball winding, free help, and great conversations!! See you soon!
