Hi Everyone!!

Happy New Year to each one of you!!

As we go forward, I have a few notes for you.

The new price of the Knit-A-Longs will go up to \$15.00 a session. If the instructor has a different payment schedule for the initial KAL meeting, she will let you know. If you have any questions, please feel free to call and ask. We have some very exciting KAL's coming this year!!! Please check the schedules on the website.

Speaking of the website. You may have noticed we are still in the 18th century. That's my fault. Lorretta has been trudging along with what we have, keeping the postings current and doing a great job. I just thought it might be time to grow a bit. This will include e-commerce. We have a learning curve coming, but we will keep you posted.

As you may have noticed, we have a "Snowball" sale this month on January 19th. It is a one day sale much like the lollypop sale was last year. The difference is you will get your Snowball with your discount on it when you enter the shop so you will be able to decide how much or little you want to spend with your additional "snowball" discount. It will be fun and you can keep the snowball. It's designed for you to make your own sale. The sale in February is a regular Sunday sale with the table filled and special discounts assigned. There are always big time savings at a Sunday Sale!! Champagne and Brownies for all.

Remember to put the Orange Blossom yarn crawl on your schedule for March 1-9!! More Information to come.

A reminder we have a Facebook page filled with our class projects, projects by our guests and antidotes Paula finds. She is doing a fantastic job, be sure to check it out. KnitandStitchboutique.

We are having lots of fun at the table these days. Please feel free to join us. We can offer a cup of tea, coffee, water or wine and always, a chocolate!!

We look forward to seeing you soon!
